

Homura-
chan.

Are you
okay?

We
should
just go
back for
today.

But...
You look
really
tired.

N-

Yeah
...

I'm,
fine.

No..!

ん...
ふふ...

I can
walk...

Since
we've
already
come this
far, and
we're
almost
there...

Homura-
chan...!!

Kaname-san
isn't at fault.

It's because I
said I was fine.

I'm
sorry...

You're
wrong.

Shouldn't
you be
able to
guess what
would
happen?

If you
bring
some-
one with
a weak
constitution
outside
in this
heat,

Kana-
me-san
didn't
do any-
thing
wrong.

I should
be the one
apologizing.

...I'm
sorry I
couldn't
notice.

It must
have been
hard on
you in this
heat.

Ah,
Homura-
chan.

Are you
awake?
How
do you
feel?

Yes...
That's
right. I
called
Mama and
had her
pick us
up.

Kaname-
san's
house...

Mmm...
Where.

So take
it easy for
today.

It's
cool here
so we
can talk
for a
while...
right?

Uehihi.
♡

Don't
say it's
your
fault.

Cheer
up.

Homura-
chan...

In exchange

for all of the
kindness she
shows me.

Someday,
won't she get
tired of it?

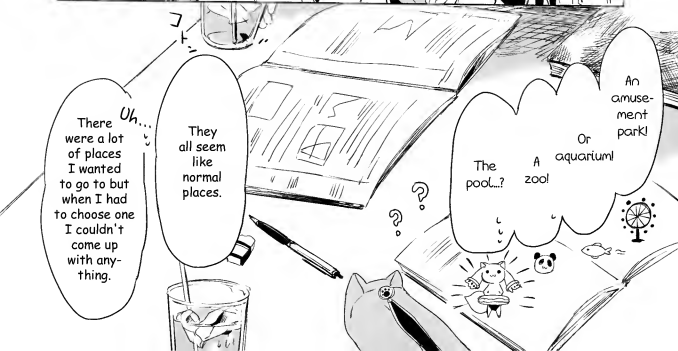

I was afraid
of that.

to be a
burden to
Kaname-
san.

I don't
want

But...

a bit
different
than
happy...

Madoka
never
changes
makes
me feel

The
fact
that

somehow

relieved...

I don't want
Homura-chan to make
that kind of face.

Like
now.

I don't
understand
why she's
crying but

The girl
in my
dream
was
probably
Homura-
chan

but she
looked
very sad.

I'm sure
I know

how to stop
those tears.

Homura-
chan

You
stopped
crying...

Crybaby

Ehehe

I think
this kind of
Homura-
chan is
very cute.

Which
is
why

...
Mhm

Me
too...

Madoka,

I love
you.

Such a
spoiled
kid!

huh...
huh...
huh...

W-

Wait.

Huh...?

end.
